**does not protect against
daggers or crossbows**

PROTECTION LIMITATION

01.1 / OVERVIEW

Anti-riot body protection for special police forces and anti-riot squads, combining soft anti-trauma materials such as 30 mesh polyethylene foam with hard plastic parts to shield the body from blows with blunt objects, stings and harmful organic and inorganic chemicals, though not from daggers or crossbows.

TYPE

Field equipment

PROCUREMENT AND COMPLIANCE

Supply is exclusively for government and institutional end-users. Availability is subject to destination screening, a state-issued export licence and a verified End-User Certificate.

02 / TECHNICAL SPECIFICATION
