NUMBER OF SIZES

01.1 / OVERVIEW

A snow camouflage suit worn over the uniform, consisting of trousers, jacket, helmet cover, gloves, face camouflage and weapon camouflage stripes, made of white material with discreet irregular dark spots so the soldier merges into terrain fully or partly covered with snow.

TYPE

Field equipment

PROCUREMENT AND COMPLIANCE

Supply is exclusively for government and institutional end-users. Availability is subject to destination screening, a state-issued export licence and a verified End-User Certificate.
